POLO SHIRT

642021

Piqué Polo shirt with two detail seams on the collar for a classy touch. Neck opening with three tone in tone buttons gives it a neater look. Sprund in the sides so it lies better on waist, the 200 g/m2 weight makes it a lighter Polo. Pique is a versatile fabric that can worn anywhere from sports to formal events. Let us add that extra personal or professional touch by customising it to you and your groups liking with logos, embroidery and Vinyl heat transfer. Standard 100 by OEKO-TEX. Washed at 60 degrees.
