

BEESWIFT

WATERPROOF HI VIS JACKET

GTHV152

GORE-TEX Fabrics take protective clothing to another level: they're fully waterproof and windproof; and highly breathable to avoid heat build-up. They can also withstand high water pressure and severe mechanical stresses. Outer fabric is fully seam sealed for maximum protection against the elements whilst remaining breathable to allow wearer to work in comfort. The collar is shaped and contoured for compatibility with hard hats and can be combined with a detachable hood HV161 when necessary.
