Environmental Policy

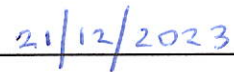

Apparel Supply endeavours to conduct its business in an environmentally responsible manner by:

- *Conducting our operations in a commercially reasonable manner that protects the environment.*
- *Making prudent efforts to reduce or prevent pollution from our operations through the continual identification of environmental risks.*
- *Complying with laws and regulations applicable to our operations including environmental requirements to which Apparel Supply subscribes.*
- *Administering our Environmental Management System (EMS) to achieve continual improvement, including developing an operational framework to achieve environmental objectives and targets.*
- *Providing training and instruction to enable conformance with environmental objectives and targets.*
- *Working with our suppliers and sub-contractors to be environmentally responsible in their service to us.*
- *Communicating this policy to employees, suppliers and sub-contractors working on Apparel Supply's behalf and to the public by posting this policy at the entrance to our premises.*

Our commitment to supporting environmental protection of air, water, land, and natural resources is and will remain, a priority for this company.

John Molloy – Managing Director (Apparel Supply)
