QUALITY POLICY STATEMENT

All of us in **Apparel Supply Ltd** supply products and service that fully meet our customer's needs and expectations.

We undertake, through instruction and in-house training, to ensure that all our staff understand the importance of the **Quality Management System** and its critical importance in meeting all our Business Objectives.

We ensure that each employee is fully conversant with the company **Quality Assurance Processes and Procedures**, regular audits are undertaken to verify conformance.

Our **Business Objectives** are.

- To achieve a very high level of customer satisfaction in product quality and supply
- To retain and develop long-term current customer agreements
- To meet all relevant regulatory requirements
- To increase sales, to new customers and markets
- To continue to develop and improve supplier agreements
- To achieve profitability and improve our financial stability
- To continue to develop staff skills and efficiency
- To create an enjoyable and efficient workplace respectful of all parties

The business performance and objectives will be reviewed and updated at regular Management meetings.

We hereby certify that our **Quality Manual** describes the **Management System** in use in **Apparel Supply** and meets the requirements of **ISO 9001/2015** and **PPE Regulation (EU) 2016/425**

On behalf of everyone in **Apparel Supply Limited**
